Tangermann, Stefan, Göttingen
Eastward Enlargement of the EU: Will Agricultural Policy be an Obstacle? VI/277

Vehrkamp, Robert, Witten-Herdecke
De facto Monetary Union through Forward Interventions III/111

Wagner, Helmut, Hamburg,
Maennig, Wolfgang, Hamburg und Berlin
Unified Structural Adjustment Policy in Europe? I/25

Weinert, Günter, Großer, Günter, Hamburg
Upswing in the World Economy I/53

Wetter, Wolfgang, Krägenau, Henry, Hamburg
Maastricht II: Reviewing European Integration VI/267

Zhang, ZhongXiang, Folmer, Henk, Wageningen
The Choice of Policy Instruments for the Control of Carbon Dioxide Emissions III/133

2. Index by Subjects

Agriculture
Eastward Enlargement of the EU: Will Agricultural Policy be an Obstacle? VI/277

New Developments in International Agricultural Trade – A Threat or a Chance for LDCs and CEECs? II/59

Antidumping
From International Trade Policy to International Competition Policy III/109

Steel: A New Round of Protectionism in American Trade III/150

Azerbaijan
Re-Integrating the Central Asian Republics into the World Economy V/235

Bahrain
Economic Upheaval in the Gulf Region IV/200

Banking
Banking Reforms in East Central Europe IV/193

Bulgaria
Banking Reforms in East Central Europe IV/193

Canada
NAFTA: Results After One Year II/70

CAP
Eastward Enlargement of the EU: Will Agricultural Policy be an Obstacle? VI/277

China
Five Challenges for China in the 1990s V/247

CIS
Endogenous Tariffs and Economic Transformation – The Case of Russian Trade Policies II/77

Climate Protection
Joint Implementation: a Promising Instrument for Climate Protection IV/163

The Choice of Policy Instruments for the Control of Carbon Dioxide Emissions III/133

CO_2 Taxes
Joint Implementation: a Promising Instrument for Climate Protection IV/163

The Choice of Policy Instruments for the Control of Carbon Dioxide Emissions III/133

Competition Policy
From International Trade Policy to International Competition Policy III/109

Multimedia, Vertical Concentration, and the Free Market System V/209

Competitiveness
Old Structures versus New Logic in the Electronics Industry II/96

Convergence Criteria
Central Europe and European Monetary Integration – A Strategy for Catching Up III/117

Challenges on the Way to Stage Three of European Monetary Union IV/187

Convergence, Credibility and the Welfare Effects of EMU IV/161

Maastricht II: Are Real Convergence Criteria Needed? V/211

Postponement Is No Answer VI/265

Credibility
Convergence, Credibility and the Welfare Effects of EMU IV/161

Eco-Labelling and Environmental Policy Efforts in Developing Countries III/143

Searching for Credible Exchange Rate Regimes in the Former Soviet Union III/126

Stabilizing the Rouble: Is There a Case for a New Fisher Rule? I/31

Crime Prevention
The Fight Against Money Laundering IV/177

Czechia
Banking Reforms in East Central Europe IV/193

Foreign Direct Investment in Central Europe VI/305

Develpment Coordination
The Socio-political System and Development I/3

The Transition Process in Eastern Europe: European Security Policy Redefined I/44

Development Cooperation
Social Dimension in the Limelight II/57

The Socio-political System and Development I/3

Development Indicators
The Fourth Première of the Human Development Index I/9

The Human Development Index Revisited IV/171

Development Strategy
Environmental Policy and Interest Groups in Developing Countries I/16

New Developments in International Agricultural Trade – A Threat or a Chance for LDCs and CEECs? II/59

Social Dimension in the Limelight II/57
The Socio-political System and Development I/3

East Asia
East Asian FDI in Europe and Germany VI/294

Eastern Europe
Banking Reforms in East Central Europe IV/193
East-West Economic Cooperation – Interests Involved, Institutional Possibilities and Economic Rationale VI/285
Foreign Direct Investment in Central Eastern Europe – Some Lessons for Poland from Hungary I/36
Special Economic Zones: Shortcut or Roundabout Way Towards Capitalism? II/87
The Transition Process in Eastern Europe: European Security Policy Redefined I/44

Eastward Enlargement
Eastward Enlargement of the EU: Will Agricultural Policy be an Obstacle? VI/277

Eco-Labelling
Eco-Labelling and Environmental Policy Efforts in Developing Countries III/143

Economic Trends
Rapid Expansion in World Trade IV/207
The Economic Situation in Germany III/157
The Economic Situation in Germany VI/313
Upswing in the World Economy I/53
USA: Monetary Policy Dampens Upswing II/107
Western Europe: Upswing Loses Momentum V/263

EFTA
East-West Economic Cooperation – Interests Involved, Institutional Possibilities and Economic Rationale VI/285

Electronics Industry
Old Structures versus New Logic in the Electronics Industry II/96

Employment Policy
Strengthening the International Employment Regime V/221

EMU
Central Europe and European Monetary Integration – A Strategy for Catching Up III/117
Challenges on the Way to Stage Three of European Monetary Union IV/187
Convergence, Credibility and the Welfare Effects of EMU IV/161
De facto Monetary Union through Forward Interventions III/111
Maastricht II: Are Real Convergence Criteria Needed? V/211
Postponement Is No Answer VI/265

Endogenous Tariffs
Endogenous Tariffs and Economic Transformation – The Case of Russian Trade Policies II/77

Energy Taxes
Joint Implementation: a Promising Instrument for Climate Protection IV/163
The Choice of Policy Instruments for the Control of Carbon Dioxide Emissions III/133

Environment
Eco-Labelling and Environmental Policy Efforts in Developing Countries III/143
Environmental Policy and Interest Groups in Developing Countries I/16
Joint Implementation: a Promising Instrument for Climate Protection IV/163
The Choice of Policy Instruments for the Control of Carbon Dioxide Emissions III/133

Estonia
Searching for Credible Exchange Rate Regimes in the Former Soviet Union III/126

EU
Central Europe and European Monetary Integration – A Strategy for Catching Up III/117
Challenges on the Way to Stage Three of European Monetary Union IV/187
Convergence, Credibility and the Welfare Effects of EMU IV/161
De facto Monetary Union through Forward Interventions III/111
East Asian FDI in Europe and Germany VI/294
Eastward Enlargement of the EU: Will Agricultural Policy be an Obstacle? VI/277
East-West Economic Cooperation – Interests Involved, Institutional Possibilities and Economic Rationale VI/285
Maastricht II: Are Real Convergence Criteria Needed? V/211
Maastricht II: Reviewing European Integration VI/267
Postponement Is No Answer VI/265
The EU after the Northern Enlargement I/1
Unified Structural Adjustment Policy in Europe? I/25

European Economic Area
East-West Economic Cooperation – Interests Involved, Institutional Possibilities and Economic Rationale VI/285

European Monetary System
Central Europe and European Monetary Integration – A Strategy for Catching Up III/117
De facto Monetary Union through Forward Interventions III/111

Exchange Rates
De facto Monetary Union through Forward Interventions III/111

Inflation and Growth – A Discussion of Robert Barro's Recent Findings VI/301

Searching for Credible Exchange Rate Regimes in the Former Soviet Union III/126

Stabilizing the Rouble: Is There a Case for a New Fisher Rule? I/31

Fisher Rule

Stabilizing the Rouble: Is There a Case for a New Fisher Rule? I/31

Foreign Direct Investment

East Asian FDI in Europe and Germany VI/294

Foreign Direct Investment in Central Eastern Europe – Some Lessons for Poland from Hungary I/36

Foreign Direct Investment in Central Europe VI/305

GATT

From International Trade Policy to International Competition Policy III/109

New Developments in International Agricultural Trade – A Threat or a Chance for LDCs and CEECs? II/59
